Welcome Message

Welcome to Abbiat Al Wasti. We take pride in providing dependable HVAC and contracting solutions supported by skilled engineers, experienced technicians, and modern equipment. We look forward to serving you with professionalism and commitment.

Our Dedication to Sustainable Growth

At Abbiat Al Wasti, we focus on sustainable and long term growth through quality execution and responsible practices. We use efficient systems, durable materials, and proper installation methods to ensure long lasting performance.

Our approach helps clients reduce maintenance costs, improve system efficiency, and achieve dependable results while supporting safe and responsible project development.

The Value of Lifelong Learning

We believe continuous learning is essential in the HVAC and contracting industry. Our engineers and technicians regularly improve their skills to stay updated with modern tools, systems, and industry standards.

By investing in knowledge and hands on training, we ensure better workmanship, improved safety, and consistent service quality for every project we handle.

Our Services

HVAC Contracting Services

Our HVAC contracting services cover complete system installation, maintenance, repair, and upgrades for residential, commercial, and industrial projects. We handle split units, ducted systems, package units, and advanced cooling solutions with careful planning and accurate execution. Our experienced engineers and trained technicians ensure every system is installed correctly, operates efficiently, and meets required performance standards. We focus on reliable cooling, balanced airflow, and long term system stability.

We use quality materials, modern tools, and proven installation methods to deliver dependable HVAC solutions. From routine maintenance to complex troubleshooting, our team works with attention to detail and safety. We aim to reduce system downtime, improve energy efficiency, and extend equipment life. Through clear communication and professional service delivery, we ensure each project is completed on time with consistent quality and trusted results.

Ducting Works

Our ducting works include professional fabrication, installation, insulation, and maintenance for residential, commercial, and industrial HVAC systems. We design and install GI and aluminum ducts with accurate measurements and proper sealing to ensure smooth airflow and balanced air distribution. Our skilled technicians focus on system efficiency, reduced air leakage, and long lasting performance. Every ducting project is planned carefully to support reliable cooling and consistent indoor comfort.

We use quality materials, modern fabrication tools, and proven installation methods to deliver durable ducting solutions. Our insulation and maintenance services help reduce energy loss, control noise, and extend system life. From new installations to duct modifications and repairs, our team ensures clean workmanship and safe execution. By focusing on efficiency, durability, and performance, we provide ducting systems that meet project requirements and industry standards.

Cladding Works

HVAC Cladding Works

We provide aluminum and GI cladding solutions to protect HVAC ducts from weather, heat, and damage. Our cladding work improves durability, insulation, and system life.

Aluminium Ducts Cladding

Protective aluminium cladding improves durability, insulation, appearance, and weather resistance of HVAC ducts.

Aluminium Round Pipe Cladding

High quality aluminium cladding protects round pipes, reduces heat loss, and enhances system lifespan.
